DOMAN NAME FOR YOUR WEBSITE:

You will need a Domain Name for your website. If you already have a Domain Name registered elsewhere, that name can be transferred. If you do not have a Domain Name, please provide your first, second and third choice names. We will check to see if they are available and discuss this with you.

<input type="checkbox"/> Yes, I have a registered Domain Name already	Domain Name:
<input type="checkbox"/> No, I do not have a registered Domain Name	

Provide 3 Domain Names for your website. We will check and see which are available:

1.	Example: www.ebay.com
2.	Example: www.Yahoo.com
3.	Example: www.CoyoteLogicWebsites.com

Also, you will need a Domain Name extension. Most people are familiar with the *.com extension (as in www.Ebay.com). But there are other extensions available too. You will need to choose an extension (see below). Please select 1 or more extensions that you are willing to accept for your website (based on availability).
